

25 March 2019

iEnergizer Limited

("iEnergizer", the "Company" or the "Group")

Trading Statement

iEnergizer, the technology services and media solutions leader for the digital age, is pleased to report that the Company has performed strongly in the second half of the financial year with a continued focus on higher margin work. This growth is coming from both existing and new clients in exciting new sectors.

As a result of this, revenue is expected to be ahead of market expectations and operating profit is expected to be significantly ahead of market expectations.

Marc Vassanelli, Chairman of iEnergizer, commented:

"We are pleased to report that the Company expects revenues and operating profit to be ahead of market expectations due to significant progress being made by colleagues across the Company to focus on the recurring high margin revenue streams."
